VI. Library Reports

Library Director's Report

Executive Director Dombrowski presented the August 2024 Director's Report, which was included in the board packet for September 16. 2024.

Board President's Report

President Mitchell had nothing to report.

VII. Liaison Reports

Winnetka Village – Trustee Gosselin had nothing to report other than the Caucus survey being open until the 19th.

Northfield Village – Trustee Kinnich reported that controversy in Northfield over the proposed roundabout makes it unlikely that construction of it and the library renovation will coincide.

VIII. Unfinished Business

Update on Northfield Library Expansion Project
 Executive Director Dombrowski reported that she expects to receive the draft
 RFQ for architectural firm candidates from Patrick Brennan, the Northfield Village Manager, this week.

IX. New Business

- Discussion and approval of the Updated Circulation Policy
 Executive Director Dombrowski stated the change in content, as previously requested by the board. The motion by Trustee Gosselin to approve the revised policy was approved by voice vote.
- Update in Winnetka Library safety upgrade project
 Executive Director Dombrowski reported on the meeting which she attended with
 the architect firm on safety upgrades and outlined the proposed upgrades, which
 included: 1. an emergency exit on the library's east side, which would entail a
 shift of shelving, a concrete pad outside the door, and a concrete walkway to the
 public sidewalk, the latter requiring IDOT approval, an expensive and lengthy
 process; 2. a change of placement of the central reception desk; 3. combining
 the plats for the library property and library park; 4. replacing the north side entry
 walkway and steps with a ramp.

The board requested further exploration of alternatives to 1. the sidewalk connection and 2. the proposed ramp, due to the expense and timing of the proposed solutions.

Potential revisions to the Meeting Room policy
 Added as a new business item during the meeting in light of recent incidents at
 the Northfield library and at the neighboring library in Northbrook, which incidents
 were described by Executive Director Dombrowski and President Mitchell. The
 question raised was whether to revise the policy to reflect meeting security when
 topics are contentious and over adherence to policies by meeting room users.

The board requested that Executive Director Dombrowski determine and then report to the board the language used in such policies by other libraries, such as Northbrook Public Library's referral of security need determination by the local police department.

General Feedback

- We had overwhelmingly positive feedback for the new additions this month to our Sensory Shenanigans program! They included foam stepping stones, water building blocks, and a rainbow sequin wall.
- The new signage for Storytime indicating where patrons should line up is making a huge impact already. It has eased the congestion and make it easier to access the desk for both patrons and staff.
- A patron came in looking for Persian history books, which we were able to help her find. She then also asked for activity ideas to do in conjunction with the books, and we were able to help by suggesting drawing buildings incorporating Persian architectural elements and acting out Persian fables/myths.

A patron inquired for research help on a very niche subject – identifying the design of a curling pin that he believed had been used by The Indian Hill Club in the 1960s. Reference Librarian Jill Brasseur was able to track this information down using our Winnetka Talk Digital Archive, and received the following reply:

Hi there;

First, thank you for the quick reply.

Second, a HUGE THANK YOU for the information that you provided. If you had attached reference points, I would have done a search myself, as I fully expected to do. Admittedly, I probably would have taken a lot more time to come up with the information s.

So your time and effort to do this for me.....well, (and I have said this more than once while checking the provenance of some of the curling pins on the site) God Bless Librarians, Archivists and Historians!!!!

This is so nice.

Regards,

Feedback for Wine & Whine, With IL State Senators Laura Fine & Julie Morrison:

- The Wine and Whine program held by the League of Women Voters of Winnetka-Northfield-Kenilworth was excellent. It is very important for local citizens to be able to meet and discuss issues with the State Legislators who represent them in Springfield Illinois. In a Democracy it is necessary for all citizens who have the right to vote to be well informed on all the issues which affect their lives before they go to the polls. Because of the distance it is wonderful that the legislators come to our local community library.
- This event was very successful due, in large part, to the outstanding coordination, help & support of the library staff: first, Nick Mall (who set it up with the LWV & got it into the online Events Calendar & into The Fall Source right away; Anna Karwowska, who printed out the registration list & assisted w/our needs; Courtney Volny, who assisted us throughout (helped us bring the mic back from the dead by contacting the NF Branch, I think); the young man behind the desk (who, I believe, was Mark Swenson-?) who helped us put up our stand (as he always does!); &, of course, Director Monica Dombrowski, who approved the event for the 2nd year in a row (all wine drinkers were well-behaved!) & who stayed & assisted throughout-thank you! Kudos to all! We're very lucky to have such a well-run & wonderful library system.
- I appreciate the opportunity to attend various types of events at the local libraries. So thank you for hosting.
- Library manager and staff so helpful, and much timely information from the legislators in a safe and welcoming space.
- Thank you for the opportunity to hear from two outstanding State Senators. We are truly well represented.
- Wish I could have stayed longer for rest of questions. Great opportunity
- Fabulous speaker--great event--inspiring!
- The room works well for events like this.

I love that you offer programs that focus on both classic and modern films and regularly use them as date nights with my spouse! I appreciate the library's increased focus on programming over the last few years and could fill many of my nights with free events from the comfort of my home! Jeanine pulled the book for her, and they began talking about sheep shearing, the patron said she didn't know anything about it, but it sounded interesting. Jeanine mentioned that she had seen Larry the sheep being shorn at Wagner Farm in Glenview.
